

Student part-time job

About Trustami

We are a startup in the heart of Berlin and offer online businesses (e.g. Shops) the possibility to make use of their existing reputation in form of reviews, likes or followers on eBay, Facebook, Twitter, Dawanda etc. As unique service provider in Germany, we analyze all businesses on known marketplace and award the best providers compared with all others. Our technology won a prize from the Federal Ministry for Economic Affairs and Energy. Our overall goal is to build trust online and help everyone to interact and proof their trustworthiness.
